

## **Global Music and Footage Update**

### **1. MUSIC**

Beginning October 1<sup>st</sup>, an all-new **Discovery Music Source** site featuring over 2,000 new music tracks, automatic registration for new users, and user tutorials can be accessed directly at:

<https://library.discoverymusicsource.com>

\*All legacy user accounts and playlists will be ported over to the new site at launch and we encourage all current users to move over as soon as possible. However, the legacy DMS site will remain active through the end of 2019 should you choose to complete any existing projects here.

### **2. Footage (Discovery Access)**

We are proud to announce a new partnership with Getty Images beginning October 1<sup>st</sup> with over 60,000 rights managed clips with new content being added every day.

The address has not changed: [www.discoveryaccess.com](http://www.discoveryaccess.com)

Once there, select [www.gettyimages.com/discoveryaccess](http://www.gettyimages.com/discoveryaccess) to access our archive.

Discovery Access is a division of Discovery, Inc. Discovery, Inc. is the new global leader in real life entertainment reaching 3 billion viewers in 230 countries.

Our content is sourced from our vast array of award-winning programming. In addition to our beloved stable of channels: Discovery Channel, TLC, Science Channel, Animal Planet, and Investigation Discovery; we are now proud to announce the inclusion of previously unavailable content from HGTV, Travel Channel, Food Network and Cooking Channel.
